

STUDENT ATTACHMENT PROGRAM AT FACULTY OF DENTISTRY UNIVERSITI KEBANGSAAN MALAYSIA

The Faculty of Dentistry opens its doors to overseas or local students who would like to do a short attachment under the student mobility program. The attachment program can run between one week to a month depending on the objective(s) of the visit. Attachment of more than a month will be considered on a case to case basis depending on the objective(s) of the student's attachment program, timing of the program to be undertaken and, availability of academic staff members to facilitate.

What applicant needs to do.

1. Download and Fill up the application form.
2. Your application form must be sent to the address below (email/ snail mail/ fax) with a letter from your Dean/Head of Institution/Head of Program verifying your student status and need for attachment.
3. All applicants are expected to pay an administrative fee of **RM 200 or USD 60 prior or on** the day of registration and addressed to **BURSAR, Universiti Kebangsaan Malaysia**. An official receipt will be issued to you as proof of payment. Waiver can be given under special consideration, on a case by case basis, by the administration.
4. The above fee **DOES NOT** include travel fees or accommodation or daily subsistence.
5. All visiting student/student group will be given a Facilitator who will facilitate the student's program while at the Faculty for the duration of the attachment.
6. The Administration undertakes to plan a relevant program for the student/student group customized to the student's attachment program objective(s) and available identified resources.
7. If a student/student group plans to undertake a small project, a copy of the proposal must also be sent to be vetted by the Faculty's Research, Publication and Ethics Committee at least **ONE MONTH PRIOR** to the start of the visit. If necessary, an appropriate academic staff will be assigned to help the student/student group.
8. Attachment Students however will only be allowed to **OBSERVE** clinical work carried out at the Faculty. **NO CLINICAL** Experiential program is allowed while at the faculty.
9. Students however, can undertake to conduct laboratory exercise/project subject to the approval of the Faculty's administration and Head of Department. A bench fee maybe imposed if deem relevant.
