Use 11 pt size Times New Roman, APA Style for all book, journal, proceeding, etc citation.

A) Book

1. Book with one author

2. Book with two to five authors.

3. Book with six or more authors
   
   Write the names of the first six authors, followed by et al. if there are more than six.

4. Book with several editions.
   
   When referring to a book’s first edition, only write the year. For later editions, the edition number must be included.
   
   There is a difference between a printing and an edition. “3rd edition” means that the text has been changed since the second edition. “3rd print” only means that it has been printed up for the third time. This is not included in the reference.

B) Author has published several works in the same year

C) Chapter in book with editor

   Chapter author and chapter title are written first, then the editor(s) and book title (in italics). The reference to the book begins with In.

D) No author

   The title is written in the author’s place if the book has no author.

E) Electronic book (E-book)

1. Book with named author(s):

2. Chapter in book with editor(s):

*Write (Eds.) when there are several editors.*

F) Article

1. With one author

    *The title of the journal (not the article) is in italics. Volume in italics. Issue in parentheses, and not in italics. Write page numbers(s) for the entire article.*

2. With several authors

   For articles with up to six authors, write all names. For articles with seven or more authors, write the first six names followed by et al.

G) Brochure, corporate author

*The complete name is written in the bibliographt. In brackets, identify the publication as a brochure. The publisher is also the author.*

H) Encyclopedia

1. Printed encyclopedia:

    *Write page numbers for encyclopedia articles. If there are several volumes, write volume number or name.*

2. Electronic encyclopedia:

    Write the URL of the encyclopedia’s home page, not of the article.

I) Dictionary

1. Printed dictionary:

    *For reference works with a large editorial board, list the name of the lead editor, followed by et al.*

2. Electronic dictionary:
Date localized is necessary when content may be changed/updated.

Write the URL for the dictionary’s home page.

O) Newspaper article

1. Printed newspaper:

*If an article appears on discontinuous pages, give all page numbers, and separate the numbers with a comma.*

2. Online newspaper:
P) Article

1. From electronic database, with DOI (Digital Object Identifier)

*Do not write the name of the database or URL because the DOI is a specific identifier and link to content when written in the address line of a browser.*

*Do not write date localized because the reference is for the final version of the article.*

2. From electronic database, without DOI (Digital Object Identifier)

*Write complete URL if content is freely available (open access). Write URL of the journal’s home page if available by subscription.*

*Do not write date localized because the reference is for the final version of the article.*

3. From online journal (not in database)

*Write the complete URL.*

*Date localized is necessary when content may be changed/updated.*

Q) Wikis
