

ICFCHT2017

6TH INTERNATIONAL CONFERENCE ON
FUEL CELL & HYDROGEN TECHNOLOGY

*“Clean Energy for Today:
Carbon Free on the Move”*

Putrajaya, Malaysia 11-13 April 2017

Visit our website
www.ukm.my/icfcht2017
for further information

Topic of Interest:

- Fuel Cells for Mobile and Stationary Systems
- Hydrogen Production Technology & Storage
- Hydrogen Sustainability and Economic Viability
- Hydrogen Refueling, Distribution & Safety
- Materials (Graphene, Nanotech etc)
- Miscellaneous (Green Technology etc)

Organized by:
Fuel Cell Institute
Universiti Kebangsaan Malaysia

Co-organized by:
Agency for the Assessment and Application of
Technology, Indonesia

Hosted by:
Perbadanan Putrajaya (Putrajaya Council)
