Bachelor of Science in Liberal Studies (BSLS)/
Ijazah Sarjana Muda Sains Citra (SMSC)
Introduction

- The job market has become increasingly challenging especially towards meeting the demands of the Fourth Industrial Revolution (4IR). The workplace requires those who are equipped with multidisciplinary knowledge. Therefore, the Bachelor of Liberal Science (BLS), Sarjana Muda Sains Citra, is offered to fulfill the needs of the industry.

- CITRA refers to:
  C - sophisticated
  I - integration
  T - technology
  R - across disciplines
  A - application

Unique Features of the BLS Programme

- It offers a Future-Focused Curriculum.

- The first of its kind in Malaysia.

- A flexible and cross-disciplinary structured programme.

- Students build/create their own field of concentration relevant to their careers and personal goals.

- The Juke Box educational approach-inclusive, across disciplines and faculties, reaching beyond the university and country.

- The 2u2i mode - 2 years in the university and 2 years in the industry focuses on work-based learning to improve graduate employability.
The Delivery Mode of 2u2i

2 Years in the University + 2 Years in the Industry

Year 1: University Compulsory + Citra Compulsory

Year 2: Free Elective Specialization (guidance of academic advisor)
