Part I

MAPPING OF MALAYSIAN GEOLOGICAL HERITAGE

1. Geological Heritage Resources Mapping Programme in Malaysia
Ibrahim Komoo, Yunus Abd Razak, Saim Suratman, Mohd Shafeea Leman, Kamal Roslan Mohamed & Basir Jasin
2. Preliminary Mapping of Geological Heritage Resources in Selangor and Wilayah Persekutuan Kuala Lumpur
Hasnida Zabidi, Ibrahim Abdullah & Zamila Abdul Rahman
3. Preliminary Mapping of Geological Heritage Resources in Kelantan
Che Abdul Rahman & Kamal Roslan Mohamed
4. Preliminary Mapping of Geological Heritage Resources in Terengganu
Askury Abd. Kadir & Kamal Roslan Mohamed
5. Preliminary Mapping of Geological Heritage Resources in Sabah
Che Ibrahim Mat Saman & Felix Tongkul
6. Preliminary Mapping of Geological Heritage Resources in Pahang
Mazlan Mohd Zin & Mohd Shafeea Leman
7. Progress Report on Geological Heritage Resource Mapping in Kedah, Perlis, Pulau Pinang, Negeri Sembilan, Melaka, Perak and Johor
Yunus Ab Razak, Saim Suratman & Zamila Abdul Rahman
8. Identification of Geological Heritage Resources in Kelantan
Tanot Unjah, Ibrahim Komoo & Hamzah Mohamad
9. Geosite and Proposed Geotope in the Endau Mersing Area, Johor
Tajul Anuar Jamaluddin & Mohd Asbi Mohd Zin
10. Preliminary Mapping of Lojing Hot Spring, Gua Musang, Kelantan
Kamal Roslan Mohamed, Che Aziz Ali, Che Abd Rahman Jaafar & Azmi Ismail

Part II

CHARACTERIZATION AND ASSESSMENT OF GEOSITES

11. The Abrasional Platforms of Ular Island, Langkawi Islands, Kedah
Ibrahim Komoo & Syafrina Ismail
12. Geological Heritage and Geotourism Potential of Gua Boma Geosite, Kuala Lipis, Pahang
Mohd Shafeea Leman

13. Boundary of Mahang Formation - Kubang Pasu Formation Geosite in Kedah
Zaiton Harun & Basir Jasin
14. Impact Structures in Malaysia: Recognition and Implications
H.D. Tjia
15. Case Study for Some Geosites Around Kuantan, Pahang
Juhari Mat Akhir
16. Conservation Geology and Proposed Geological Park at Surrounding Islands of Terengganu
Che Aziz Ali, Kamal Roslan Mohamed & Ibrahim Abdullah
17. Conservation and Tourism Geology of Northern Terengganu Area
Che Aziz Ali & Kamal Roslan Mohamed
18. Malaysian Fossil as Part of National Geological Heritage: A Case Study of Permian Triassic Material from Pahang
Masatoshi Sone & Mohd Shafeea Leman
19. Malaysia's Largest Cephalopod Fossil Fauna and Its Fascinating Global Palaeobiogeography
Masatoshi Sone, Mohd Shafeea Leman & Masayuki Ehiro
20. Uniqueness of Geological Resource and Myth of Bukit Putri, Besut, Terengganu
Askury Abd. Kadir
21. Several Geosites in Coastal Area of the Central Terengganu
Ibrahim Abdullah, Che Aziz Ali & Kamal Roslan Mohamed
22. Intrinsic Geological Resources of Pulau Labuan
Felix Tongkul
23. Mud Volcano of Tingkayu and Tabin, Lahad Datu, Sabah
Felix Tongkul
24. Bukit Biwah and Bukit Taat Geosites: Limestone Heritage of Terengganu
Kamal Roslan Mohamed, Ibrahim Abdullah, Che Aziz Ali & Askury Abd Kadir
25. Preserving Our Key Geological Exposures - Exploring the Realm of Geotourism
Philip Lesslar & Charlie Lee
26. Unique Outcrop at Jeram Besu as Aesthetic and Intrinsic Resources
Mohd Rozi Umor & Hamzah Mohamad
27. The Beauty of Natural Landscape, the Geological Significance and the Myths of the Gunung Senyum Geosite, Pahang
Mohd Shafeea Leman, Mazlan Mohd Zain & Mohd Sidi Daud
