AIRWORTHINESS NOTICE**

No: 93	Issue: 2	Page: 1
---------------	----------	---------

Date: 04 July 2005

NOISE CERTIFICATE

1. INTRODUCTION

ICAO Annex 16 Volume I, Part II, Chapter 1 required that a Noise Certificate or equivalent document attesting noise certification to be carried onboard the aircraft that are engaged in **international air navigation**.

2. DEFINITION

For the purpose of this Airworthiness Notice, "*international air navigation*" means any flight which includes passage over the territory of any State other than Malaysia.

3. REQUIREMENTS

- 3.1 All Malaysian registered aircraft issued with a Malaysian Certificate of Airworthiness conducting international air navigation shall carry onboard the aircraft a Noise Certificate issued by DCA.
- 3.2 The Noise Certificate is issued on the basis of satisfactory evidence that the aircraft complies with the requirements which are at least equal to the applicable Standards specified in ICAO Annex 16.
- 3.3 Upon issuance, the Noise Certificate shall remain valid until it is revoked or suspended.
- 3.4 It shall be the responsibility of the aircraft operator or owner to notify DCA on any modification to the aircraft and/or its engine, propellers that may affect its initial noise certification. A new Noise Certificate may be issued upon reassessment that the aircraft is found to comply with the applicable Standards specified in ICAO Annex 16.
- 3.5 The Noise Certificate will only be issued upon application made by the aircraft operator or owner using DCA Form JPA-31 which can be downloaded from DCA website.

4. CANCELLATION

This Notice cancels Airworthiness Notice No. 93 Issue 1 dated 15 May 2005, which should be destroyed.
