

## **FLIGHT OPERATIONS NOTICE**

### **TERMS FOR THE VALIDATION OF A NON-MALAYSIAN PILOTS LICENCE FROM AN ICAO CONTRACTING STATE**

#### **THE VALIDATION OF NON-MALAYSIAN PROFESSIONAL PILOT'S LICENCE**

1 The Certificate of Validation is issued by DCA in accordance with the provisions of Regulation 42 of the Civil Aviation Regulation 1996 (as amended) which rendering valid any licence of a member of a flight crew of aircraft granted under the law of any state other than Malaysia. A pilot's licence issued by an ICAO Contracting State is considered to have the same validity as if the licence has been granted under the Malaysian Regulation. The holder is also considered to have satisfied the medical standards appropriate to the class of the foreign pilot's licence held.

2 A Certificate of Validation may be issued under one of the following circumstances:

(a) A visiting pilot who wishes to carry out non-commercial flights in a Malaysian registered aircraft for a short duration. (PPL privileges)

(b) The holder of a valid foreign licence undergoing training sponsored by a Malaysian Air Operator to obtain a Malaysian Professional Pilot's Licence. (line training on public transport flights are not permitted for this purpose).

(c) The holder of a valid foreign professional pilot's licence carrying out an overseas ferry/delivery flight on behalf of Malaysian operator.

(d) An Authorised Examiner who is holder of a valid foreign professional pilot's licence to carry out flight test on behalf of DCA for an aircraft type rating endorsement.

3 DCA may validate a pilot's licence for purpose of public transport for a period of the licence validity or not exceeding a period of six months (Maximum of 2 years for Co-pilot)

4 A Flying Instructor's Rating endorsed in a non-Malaysian licence may not be issued with a Certificate of Validation unless the applicant passes a practical flight test by a DCA Authorised Examiner.

5 The Certificate of Validation will be endorsed with limitations if DCA feels necessary.

6 The holder of any expired pilot's licence is not eligible to apply for the Certificate of Validation.

7 A non-Malaysian licence holder seeking regular employment as an aircrew on Malaysian registered aircraft will not be issued with a Certificate of Validation unless he/she meets the term of conversion of non-Malaysian Pilot's Licences (Aeroplane or Helicopter) of ICAO Contracting States.

8 For the purpose of applying for a Certificate of Validation, a foreign pilot licence's holder must meet the following requirements:

- (a) a valid Medical Certificate.
- (b) a valid Radio telephony Operator's licence.
- (c) a valid Certificate of Test/Aircraft Rating.
- (d) a valid Instrument Rating (if applicable).
- (e) a valid Instructor's Rating (if applicable).
- (f) pass Malaysian Air Law, Flight Rules and Procedures examination, except flight for paragraph 2.
- (g) obtain licence authentication from country of issue
- (h) clear police security vetting.

Note:

1. The above Certificates/Ratings must be issued by a single licensing authority.
2. DCA may reject the application if the applicant is not proficient in English language.
