SECTION 1 GENERAL

1.1 PURPOSE

This Advisory Circular (AC) provides a listing of advisory circulars that have been issued by the Civil Aviation Authority of the Philippines (CAAP) to prescribe acceptable methods for compliance with the Philippine Civil Aviation Regulation (PCAR).

1.2 STATUS OF THIS ADVISORY CIRCULAR

This is an original issuance of this AC.

1.3 APPLICABILITY

This advisory circular should be consulted by the individuals and organizations subject to the safety oversight of the CAAP for guidance regarding acceptable methodology for compliance with the PCAR.
