D. April 2004 to December 2006: KPMG

Position: Audit Senior

Salary: RM2,800

Jobs experience as senior in charge:

As senior in charge, I have to ensure all audit work to be done on time. After completing the audit, the file has to be reviewed by my managers and I have to clear all the review points highlighted by my managers before sending the file to my partners for final review. I also have to clear all the issues highlighted by my partners before the audit report release to clients.

Besides dealing with my managers and partners, I also have to review my subordinates work and coach them when necessary.

My work experience as senior in charge for audit task:

1. MPI Polyester Industries Sdn. Bhd. (manufacturing accounts, subsidiary of MPI, a PLC in main board)
2. Malaysian Hoya Lens Sdn. Bhd. (manufacturing accounts and a multinational company from Japan)

8. Bentley Systems (Malaysia) Sdn. Bhd. (IT company and a multinational company from US which require a compliance with GAAP)

9. Uchida Yoko Sdn. Bhd. (trading accounts and a multinational company from Japan)

My work experience in insolvency case where the company liquidates all the assets and ends the existence of the company:

1. Semba Fabulous Sdn. Bhd. (a multinational company from Singapore)

My work experience as assistant in special audit task:

1. Radicare Sdn. Bhd. (Radicare is a GLC with a paid up share capital close to one billion ringgit. This is a special audit task, which requires KPMG to identify problems of accounting treatment and the system malfunction and rectify it. . The task is a joint venture between audit department and business advisory department and require 9 auditors to perform the task. My manager and the rest of the auditors spent the whole 4 months in client's office from morning till midnight to solve all the issues highlighted by PWC in their Management Letter. The financial statements of the Company was in deep mess and PWC has issued a very thick Management Letter and KPMG was requested to solve all the issues. All the managements team in Finance Department of the Company were replaced to ensure the same problem will never happen again).
