PHILOSOPHY

“Discovery is driven by imagination, from a person who is willing to talk his mind alone in silence in search of new ideas...” The life ahead is challenging and there is no way for us to rise to success without struggle and sacrifice. Hard work is the key. Perseverance is an ingredient. Humility is a foundation. Submission (to the Almighty) is the prerequisite. And Thankful (whatever the outcome is) is always the final word...

EMPLOYMENT HISTORY

SENIOR LECTURER, ACCOUNTING

Universiti Sains Malaysia | 2019 - Present
