Summary: Young academician in the field of Prophetic studies in a high-level professional environment, with progressive experience in managing researches and publications, courses and students with various institution, academic performance-related results, and industrial track. Reliable team player with the ability to communicate efficiently. Enthusiastic in soft skills development and possessing strong work ethics. Knowledgeable in hadith studies and proficient in using modern research techniques.

Brief Introduction: He has joined Faculty of Islamic Studies, Universiti Kebangsaan Malaysia since July 1st, 2021. Prior to that, he was the senior lecturer at Academy of Islamic Civilisation, Faculty of Social Sciences and Humanities, Universiti Teknologi Malaysia (UTM), where he has been a faculty member from March 1st, 2020 - June 30th, 2021. He has served as the Coordinator for the Programme of Practice and Concept of Halal Management since July 2020 as well as Postgraduate programme, PhD Fiqh Science and Technology from January 2021.

He completed his undergraduate, Master, and PhD at Universiti Malaya from 2009-2019. His research interests include the field of Hadith (Prophetic Studies), Halal and Food Safety ranging from theory to implementation. He has collaborated actively with researchers in several other disciplines of Islamic Studies, particularly in Hadith, Food Safety, and Contemporary Polemics.

He has published more than 100 publications in form of articles, books, posters, modules, chapters in book and a dozen of WoS/Scopus indexed article journals.
