- It is recommended to keep the title of the poster same as in the submitted abstract. Slight modification which does not change the idea of the abstract is also allowed.

Poster size and format

- Poster must be submitted in **PDF format**.
- The size of the e-poster is A1 (23.4" x 33.1") and can be created with any suitable software or applications

Content of the Poster

- Make sure that the specific sections (such as the background, methods, results, and conclusions) are easy to locate in the poster.
- Try to keep the text easy to read and concise. The poster should have a clear message, a logical layout and be easy to comprehend
- Avoid the use of full sentences and rather use short text in bullet point format.
- Avoid using watermarks that may detract from the readability of your poster.

Illustrations

- Illustrations are the most important part of the poster and will attract the most attention. Colorful charts and graphs are the easiest to read. Explanatory illustrations should be used instead of text whenever possible.
- Use only **static images** and do not embed any videos or animation in your poster.
- Try to utilize the space on your poster as creatively as you can to attract the audience and make sure that the images are easy to understand.

Poster pitching

- Each poster will be given 5 minutes for a short pitching oral session and 5 minutes for Q&A.
- If your internet connectivity is unstable, please prepare a 5 minutes pre-recorded video of your short pitching session.
- Kindly upload your video on Youtube and email the link of your video to icitra@ukm.edu.my before 24th September 2021. Please state 'Participant ID<space> Poster Pitching Video' in the email subject.
