Your Language My Culture (YLMC) is a supplementary English reading program for secondary schools in Terengganu. The program has two objectives: to upgrade both English proficiency and local culture awareness among Terengganu youth. Reading modules for Forms One, Two and Three are based on a copyrighted YLMC Culture Matrix. To date, 45,000 students from 56 schools have benefitted from the program. Keen co-operation between UKM and Jabatan Pelajaran Negeri Terengganu and aided by a grant amounting to RM1.25 million from Yayasan Di Raja Sultan Mizan (YDSM) from 2015 to 2020, have enabled 52 teachers to be trained and the modules to be printed. 2019 marks the beginning of Phase 2 YLMC, that targets the needs of the upper secondary students, through a specially designed Terengganu-centric Project Oriented Problem Based Learning (POPBL).
