

## Poster Guidelines

1. Posters (sized ISO A1) will be exhibited throughout the conference. The author must be present at specified times during the designated poster viewing sessions.
2. The venue of poster presentation will be announced later.
3. The poster size is **ISO A1** with **portrait orientation** (W 594 mm x H 841 mm).
4. The **title** should be composed of **CAPITAL letters** at least one inch high.
5. Presenters should use mounting tape to put up their posters.
6. Mounting tape will be prepared by the Secretariat.
7. Use the **minimum amount of text possible**.
  - Introduction: background, statement of problem, purpose/objectives.
  - Methods: experimental design, techniques.
  - Results: data summary, findings.
  - Conclusions: interpretations, implications; organize the material to tell a logical, coherent story.
