

# MARIYAM JAMEELAH GHAZALI

Professor (Dr.)

## RESEARCH

Expert in tribology particularly wear of materials, surface modifications, biomimetics, materials monitoring and processing. A co-founder of Malaysian Tribology Society (MyTribos) and currently being appointed as Vice President of Asia Tribology Council (ATC). Recently appointed as a visiting professor at Nagaoka University of Technology (NUT), Japan.

## ACADEMIC QUALIFICATIONS

- **B.Eng.** (Mater.) Universiti Sains Malaysia (1999)
- **M.Sc.** (Mater.) Universiti Sains Malaysia (2000)
- **Ph.D.** (Mater.) University of Sheffield (2005)

## EXPERTISE

Wear of materials  
Surface modifications  
Tribology

## RESEARCH GROUP

- Advanced Materials Processing & Integrity (AMPI)
- Malay Civilisation & Technology
