

# NABILAH AFIQAH MOHD RADZUAN

Senior Lecturer (Dr.)

## RESEARCH

Expert in polymer composite, conductive polymer composite (bipolar plate), material processing, proton exchange membrane fuel cells, and additive manufactured of polymer composites. Recent research interest in additive manufactured polymeric

## ACADEMIC QUALIFICATIONS

- **B.Eng.** (Mech. Eng.) (2011), **M.Eng.** (Mech.) (2013), **Ph.D.** (Fuel cell Eng.) (2017) Universiti Kebangsaan Malaysia.

## EXPERTISE

Polymer Composites  
Conductive Polymer Composites  
Proton Exchanged Membrane Fuel Cell  
Additive Manufacturing

## RESEARCH GROUP

- Precision Research Group UKM (PERSIS)
