Jurnal Kejuruteraan (*Journal of Engineering*) menyediakan forum bagi penerbitan manuskrip/makalah dalam semua bidang kejuruteraan, alam bina dan pengurusan kejuruteraan. Makalah asli yang lengkap, makalah rumusan dan komunikasi ringkas dipelawa dari penulis untuk tajuk-tajuk seperti eksperimentasi (teknik dan data), penghasilan teori yang baru, ulasan dan perbincangan ke atas kerja yang telah diterbitkan dan surat kepada editor. Makalah hendaklah ditulis dengan baik dan mengikut format jurnal yang telah ditentukan, supaya membolehkan penerbitan makalah dengan pantas. Makalah-makalah yang diterima akan dinilai berasaskan mutu dan keaslian kerja serta gaya dan persembahan karya. Segala surat menyurat mengenai makalah serta perkara yang berkenaan hendaklah dialamatkan kepada:

Jurnal Kejuruteraan (*Journal of Engineering*) provides forum for the publication of papers in all areas of engineering, built environment and engineering management. Full length papers, reviews and short communications are welcomed, on subjects such as experimentation (both techniques and data), new theoretical models, commentaries work and letters to the editor. Paper should well written followed journal template as required, this will make rapid publications. Accepted papers will be evaluated on the basis of quality and originality of the work as well as the style and presentation of the paper. All correspondences pertaining papers and related matters should be addressed to:
