

STRATEGIES

To Increase Citation

Create ResearchGate account

<https://www.researchgate.net/>

The professional network for researchers to share papers, ask and answer questions, and find collaborators.

Note: Only upload full articles from open access journals. For non-open access, upload abstract or share link to the article.

Create Web of Science Researcher Profile

<https://webofscience.com>

Provide an overview of a researcher's scholarly works

Use UKM Repository (eRep) as search engine

<https://smk.ukm.my/erep/>

Search and cite articles written by UKM/faculty members
