

# Medical Microbiology & Immunology

**FAKULTI PERUBATAN**  
UNIVERSITI KEBANGSAAN MALAYSIA

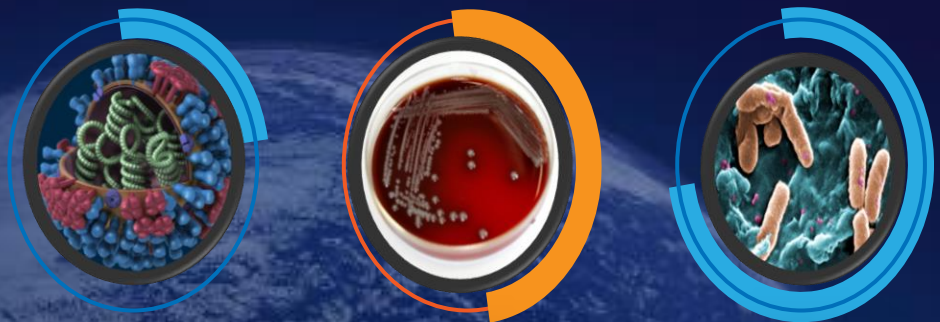

## Welcome to Department of Medical Microbiology & Immunology

For more information, please visit  
our website

<https://www.ukm.my/mikrobiologi/per/en/home/>

Explore the fascinating world of microorganisms and their impact on human health. Immerse yourself in cutting-edge research, advanced laboratory techniques, and multidisciplinary learning. Gain expertise from renowned faculty and contribute to breakthroughs in disease prevention and treatment. Get ready to make a difference in the field of medical microbiology!

### Area of Study

- Antimicrobial Resistance & Infection Control
- Infectious disease diagnosis and monitoring
- Immunodeficiency disease
- Human fungal diseases
- Advanced molecular diagnostics tools
- Bacterial Pathogenesis

### Doctor of Pathology (Medical Microbiology)

Duration: 4 years (Full-time); maximum 7 years  
Intake : In June for each Academic year

**Click for  
Registration**

### Doctor of Philosophy (PhD)

Duration: 3 - 6 years (Full-time); 4 - 7 years (Part-time)  
Intake : Throughout the year

**Click for  
Registration**

### Master of Medical Science (Microbiology)

Duration: 2- 3 years (Full-time); 3 - 4 years (Part-time)  
Intake : Throughout the year

**Click for  
Registration**
