

# MEDICAL MICROBIOLOGY & IMMUNOLOGY

**FACULTY OF MEDICINE**

**Postgraduate Studies**

## **Welcome to Department of Medical Microbiology & Immunology**

Explore the fascinating world of microorganisms and their impact on human health. Immerse yourself in cutting-edge research, advanced laboratory techniques and multidisciplinary learning. Gain expertise from renowned faculty and contribute to breakthroughs in disease prevention and treatment. Get ready to make a difference in the field of medical microbiology!

### **Area of Study**

- Antimicrobial resistance & infection control
- Infectious disease diagnosis and monitoring
- Immunodeficiency disease
- Human fungal diseases
- Advanced molecular diagnostics tools
- Bacterial pathogenesis
