International Future Scientists Conference 2015

**“Meeting
21st Century Demands:
Integrating Arts & STEM”**

**Pusat PERMATApintar™ Negara
Universiti Kebangsaan Malaysia**

3 - 5 August 2015

Introduction

1. This project gives insights for exposure, and sharing of research knowledge to young researchers through the exploration of science field. It enables science research to be more multidimensional.
2. Through the social gathering, young researchers get to establish relationships from the aspects of knowledge and research, and highlighting the field of scientific research.
3. This conference aims to tap the research potential among young researcher. It also could nurture student's talents, creativity and brilliant ideas in exploring new things in scientific field.
4. It widens the scope of research and give an opportunity to the students to explore new things in the scientific field.

Objectives

The main objective of this conference is to mold student's interest in research and innovation, and also to generate efficiency in presenting the findings of the research. Furthermore, students will be exposed to research workshops on the second day.

Registration Fees

International Student Rate: USD 800
(include 5 students + 1 chaperone)
* Fees are including hostels and food

Payment Method

Please check our website for details.

Subtheme

1. **Pure Science:**
Biology, Botany, Zoology, Genetics Physics, Chemistry, Astronomy, Geology, Paleontology, Oceanography, Meteorology and Petrology, Zoology, Human Biology, and other related fields.
2. **Applied Science:**
Engineering, Mathematic, Technology, Medical Microbiology, Biomedical Engineering, Genetic Epidemiology, Linguistics, Applied physics, Applied Chemistry, Archaeology, Architecture, Biofacts and Cultural Landscapes, Artificial Intelligence, Computing Technology, Electronics, Energy Technology, Environmental Engineering Science, Engineering Technology, Food Science, Forensic Science, Microtechnology, Nanotechnology, Nuclear Technology, Security Engineering, Software Engineering, and other related fields.
3. **Social Science:**
Psychology, Sociology, Language, Anthropology, Archaeology, Business, Administration, Communication, Criminology, Economics, Education, Education, Government, Linguistics, International Relations, Political Science, Geography, History, Law, and other related fields.

Accommodation

- In case the presenter need a other place to stay, here is a hotel nearby:

Guidlines for Presenter

Language

- Papers or Posters must be presented in English.

Paper and Abstract Submission

- For online submission please follow the link:
fsc@ukm.edu.my

Abstract

- Abstracts is the synopsis of the research article contains problem statement, objective, method, results and conclusion.
- Abstracts are limited to 250 words with 5 keywords.
- Font :Times New Roman
- Size: 11
- Spacing 1.0
- Abstract must send through email to the secretariat.
- Presenters shall be notified by email regarding the acceptance at their abstracts

Paper

- Not exceeding 10 pages including references
- The writing style should comply with the format of Gaya UKM . More details about Gaya UKM please refer our website:
www.ukm.my/permatapintar/fsc2015
- Full paper should consists of:

- 1.0 Introduction
 - 2.0 Literature Review
 - 3.0 Methodology
 - 4.0 Result/Findings
 - 5.0 Conclusion
- References

Poster

- The poster should consist of:

- Title
- Introduction
- Objective/ Hypothesis
- Methodology
- Result/Findings, and
- Conclusion

- Interactive Poster Presentation
- Posters should be not more than 594mm X 841 mm (A1 size)
- The template of posters can be downloaded from our website:

www.ukm.my/permatapintar/fsc2015
