1.	Name :		
	Signature :		Date :

REFUND PROCESS AND PROCEDURES

1. **Once a visa application has been submitted to EMGS, the visa processing fees for both EMGS and PKP are non-refundable.** Personal bond refunds are subject to rules and regulations under the Immigration Ordinance 1959, Immigration of Malaysia Regulation 1963. If a student does not comply with the regulation above, the Personal Bond amount will be forfeited. This includes not applying for student pass cancellation (Checkout Memo) upon withdrawal/termination/completed studies, and having enforcement records in Immigration.
2. The application process for PKP refunds will take **minimum 14 working days** upon receipt of complete documents, with all information required. Please be reminded that the timeline is at the discretion of the Finance Division, and HESA has no authority or influence over this process.
3. For EMGS refunds, there is **no specific timeline** for the process as it involves transactions between multiple agencies. Please refer to EMGS website <https://visa.educationmalaysia.gov.my/legal/refund-policy.html> for its current refund policy.
