VISA APPROVAL LETTER (VAL) AND STUDENT PASS ISSUANCE

- The VAL application process will take minimum 14 working days from date of complete application and payment (not inclusive of PKP internal process). For new PKP students, please refer to page 4 for the flowchart and timeline. Once your documents are accepted, you may start tracking your application at the Education Malaysia Global Services (EMGS) website at <https://visa.educationmalaysia.gov.my/>. **All approved VAL applications will be issued with an Electronic Visa Approval Letter (eVAL), and you may download the eVAL from the website once it is approved.** Since the VAL is issued by the Immigration Department, the processing time is at the discretion of the Immigration Department. PKP has no authority or influence over this process.
- The requirement to leave the country depends on the type of the pass you are holding at the time of application, as well as the type of institution you are transferring to or from. Please be reminded that PKP will only accept passport submission once you are registered as a student. Therefore, **if you have shortened your previous Student Pass from your previous institution, please ensure that you have sufficient period to remain in Malaysia, until the date of registration.** In the event that you do not have a valid pass during this transition period, you are required to return to your home country and apply for a new VAL under “New” category.
- International students are only allowed to enter Malaysia after the eVAL/SEV is approved, provided it is still within registration period. You may schedule your travelling date upon receiving your eVAL/SEV (earliest flight date is 7 days before physical registration / reporting date).** Therefore, if you are required to leave the country and return to Malaysia using a Single Entry Visa (SEV), please produce your eVAL at the immigration check point. A special pass will be stamped in your passport to give you a valid stay while you process your student pass. The validity of this special pass can range between 14 to 30 days. This is at the discretion of the Immigration Department. After arriving in Malaysia, it is important that you attend a post-arrival medical screening at the UKM Health Centre within 7 working days from your entry date and submit the report together with your passport after you have completed your registration in PKP. As of this document’s publication date, the cost of the medical screening is RM250 and shall be borne by the student. Please be reminded that failure to adhere to this timeframe may result in rejection of student pass sticker issuance.

RENEWALS AND STUDENT PASS CANCELLATION

7. **Student Pass renewal**

A student pass allows multiple entry and normally has a one (1) year validity. It is issued on an annual basis and EMGS renewal fees are to be paid by students. **Renewal should be made as early as 3 months or at least 2 months before student pass expiry date.** If your pass duration is valid for more than 1 year (*or for one-off passes*), it is compulsory for you to submit your academic transcript and attendance for your **iKad** and **insurance** renewal every year.

8. **Cancellation of student pass**

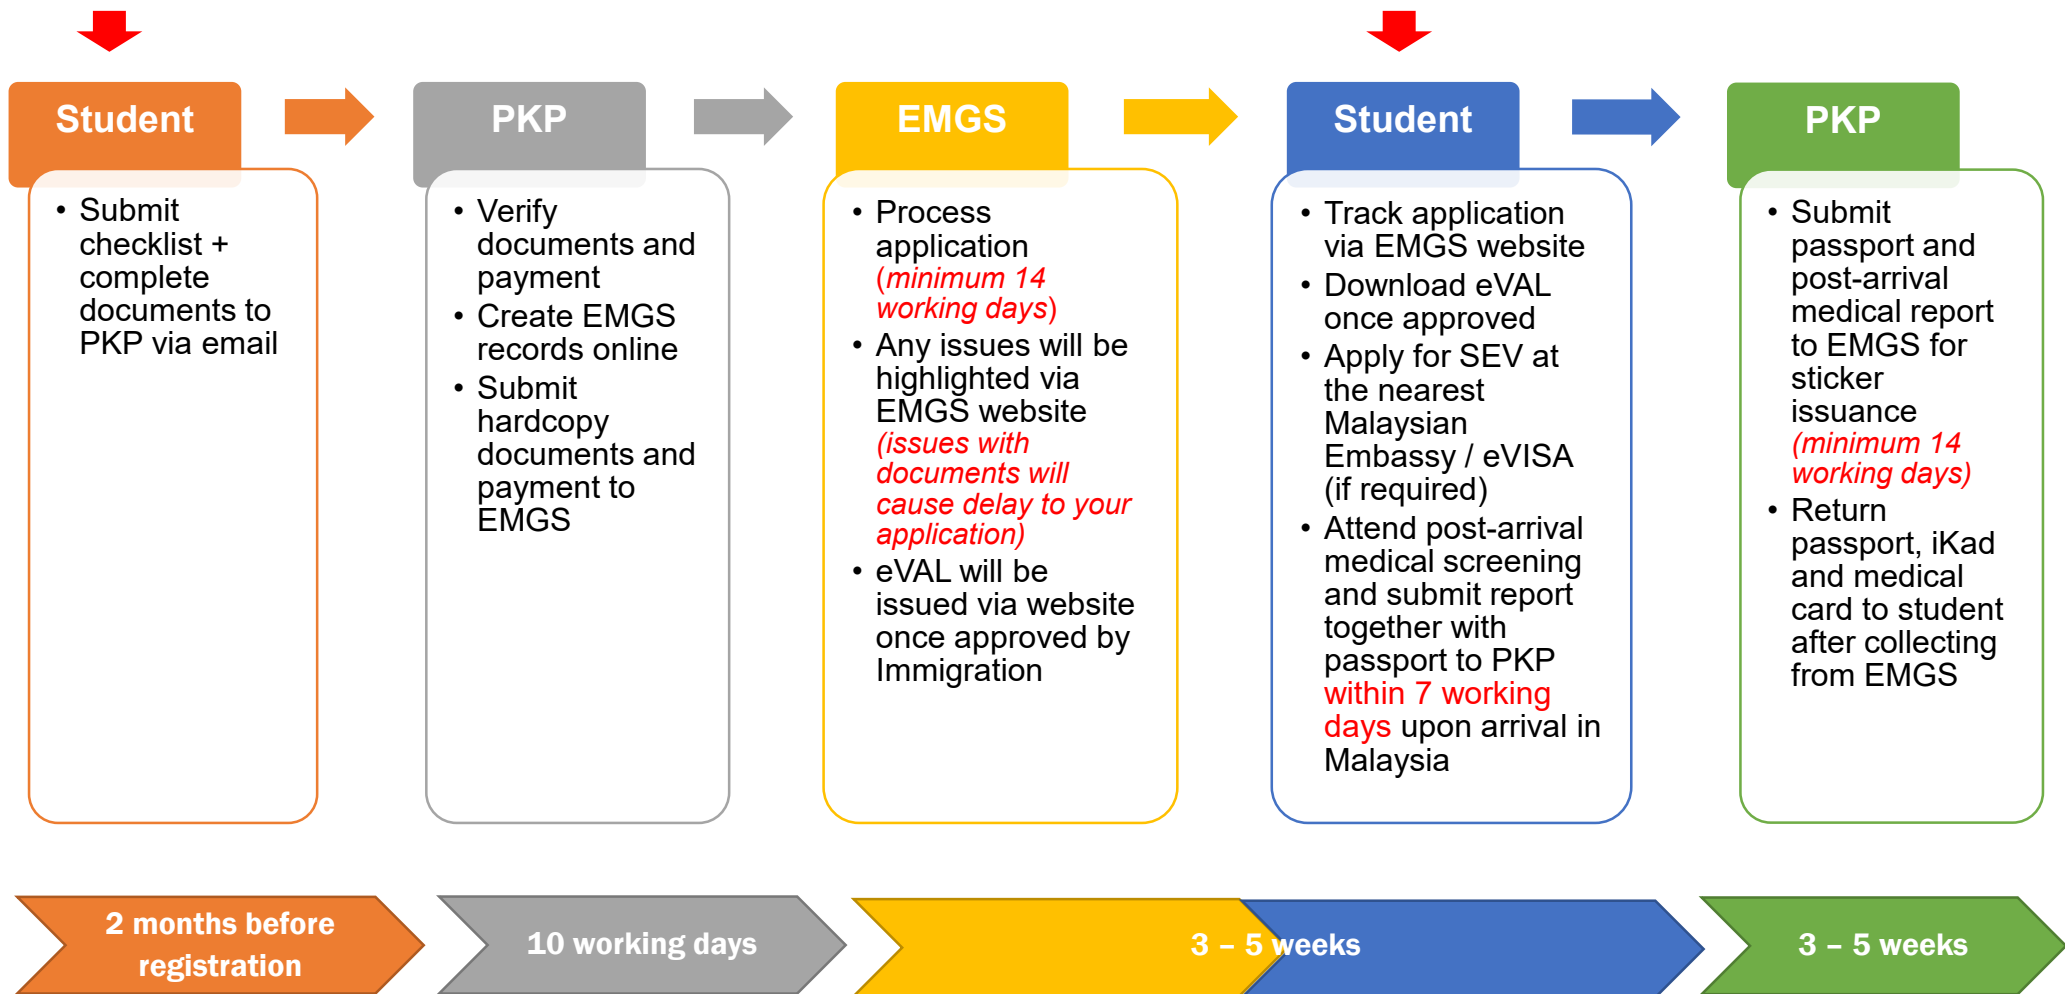

Students who are in these category are required to cancel/shorten their student pass duration:

- Completion of studies (status of student is no longer “active”)
- Deferment of studies (to resume studies, student must apply for a new VAL application)
- Withdrawn from University
- Dismissed from University

Students are required to apply for the Check out Memo (COM) within 2 weeks from date of completion / deferment approval / release / dismissal letter by submitting their passport, flight ticket to home country and other related documents. In the event that a student failed to report to PKP by end of the second week, PKP reserves the right to proceed with a forced cancellation by lodging a police report and submitting the cancellation to EMGS/Immigration, and the personal bond will be forfeited. Forced cancellation may also cause the student to be blacklisted by Immigration.

9. Please be reminded that all international students are required to comply with the rules and guidelines set by the Malaysian authorities at all times while in Malaysia. Should you need more information regarding visa, student pass and other related fees/ penalties, please visit <http://www.ukm.my/pkp/visa-and-student-pass/>, or email hesapkp@ukm.edu.my for further assistance.
