# UKM REGULATION – GRADUATE STUDY

<https://www.ukm.my/pusatsiswazah/en/>

The screenshot shows the UKM Graduate Centre website. The header includes the UKM logo, navigation links (UKM, eWarga, News Portal, FAQs, Bahasa Melayu, English), and the text "UKM Graduate Centre". The main navigation bar lists: HOME, INFO, PROSPECTIVE STUDENT, CURRENT STUDENT, REGULATIONS, AWARD & SCHOLARSHIPS, and CONTACT US. The main content area features a large banner for "BIASISWA UKM" with the text "Adakah anda layak?" and "Permohonan kini dibuka kepada pelajar pascasiswazah cemerlang yang mendaftar pada Semester 1 Sesi 2021/2022". To the right, there are sections for "BIASISWA NAIB CANSOLOR UKM" and "BIASISWA ZAKAT UKM", both with descriptions and a link to the guidelines. Below these is a "BERMINAT?" section with a QR code and a deadline of "14 Julai 2021". At the bottom, there are four colored boxes with images of university buildings and text: "UKM Thesis Style", "Rules and Regulation", "Award and Scholarships", and "Postgraduate Training". A black arrow points from the bottom left towards the "Rules and Regulation" box.

**MY ADVICE**

# STUDENT PERFORMANCE

- Make sure complete all compulsory courses and pass all exams
- Diligent, discipline and punctual – full attendance (full time working)
- Updates and good discussion with supervisor
- Updates SV regularly
- SV will update student performance via online report –candidates Performance Report (LKC- Laporan Kemajuan Calon)
- Student funded by UKM scholarship and GRA – must fulfill the KPIs requirement – consider as full-time worker with 20-25 days annual leave – as mentioned in the offer letter)

# Major issue in post graduate study

1. Financial – Tuition fee and Cost of living
2. Selection of SV
3. Research Topic – your interest and SV interest
4. Time management
5. Diligent- Reading and Working in laboratory, field work, survey, info gathering
6. Progress and performance
7. Writing research paper
8. Writing thesis

# Ethics in Research and Publishing

4 most common form of ethical misconduct

NO COPYRIGHT !

- Never **fabricate** data – making up research data
- Never **falsify** data –manipulating of existing research data
- Do not **plagiarize**- Previous work taken and passed off as your own
  - Reword
  - Direct quotes –use quotation mark, cite the source properly
  - Figures, pictures, image require **copyright** consent – write permission to reproduce
- Never submit **Parallel submission**
