THE 4TH SYMPOSIUM ON FUEL CELL & HYDROGEN TECHNOLOGY IN CONJUNCTION WITH 2ND INTERNATIONAL SYMPOSIUM ON SOLAR HYDROGEN, PUTRAJAYA, MALAYSIA

INTRODUCTION

The Fuel Cell Institute (SELFUEL) at Universiti Kebangsaan Malaysia (UKM) is organizing the 4th Symposium on Fuel Cell and Hydrogen Technology In Conjunction With The 2nd International Symposium on Solar Hydrogen 2026 (SFCHT-SSH 2026) on July 29th-30th 2026. The conference, which is expected to have over 100 participants, will be held in person and hybrid. It will focus on the fusion of multiple fields and applications related to fuel cells and hydrogen technology, with an emphasis on materials and systems.

Green and renewable energy will also be addressed. SFCHT-SSH 2026 aims to bring together scholars, researchers, scientists, experts, and students in the fuel cell and hydrogen technology field to discuss new developments, concepts, practices, and field experiences, as well as to identify research needs and technological advances.

The conference will cover topics such as Fuel Cells for Mobile and Stationary Systems, Hydrogen Technology, Materials, Life-cycle Analysis & Circular Economy, Artificial Intelligence in Renewable Energies, STEM Education and Miscellaneous (including green technology, renewable energy, nanotechnology, battery and other technologies).
