

# MASTER OF SOCIAL SCIENCE

## Strategic and Security Analysis

At UKM we adopt a broad conception of security:

- Traditional security
- Non traditional Security

Our focus on security captures the need of various stakeholders:

- Government
- Private sectors
- NGO's

### 01 PERSONAL SECURITY

- Free from violence & crime
- Free from drug abuse

### 02 COMMUNITY SECURITY

- Free from ethnic prosecution & religious violence

### 03 FOOD SECURITY

- Ample stock of food for future generations.
- Safe & nutritious food.
- Agricultural biosecurity.

### 04 ECONOMIC SECURITY

- Persistent poverty
- Unemployment

### 05 HEALTH SECURITY

- Deadly infectious diseases
- Unsafe food
- Malnutrition
- Lack of success to basic health care

### 06 ENVIRONMENTAL SECURITY

- Environmental degradation
- Resources depletion
- Natural disasters
- Pollution

### 07 POLITICAL SECURITY

- Political repression
- Human rights abuses
