LATAR BELAKANG Background

Program Sarjana Sains Sosial dalam bidang Analisis Strategi dan Keselamatan telah lama wujud, dan ditubuhkan semenjak Jabatan Perhubungan Antarabangsa dan Pengajian Strategik (SSIR) dikenali sebagai Unit Kajian Strategik dan Keselamatan (UPSK) pada tahun 1984.

Program Sarjana ini telah menarik sejumlah besar pemohon yang datangnya daripada perkhidmatan awam dan para siswazah dari pelbagai aliran. Lanya kini menjadi program kegemaran pilihan dalam kalangan pegawai pertengahan kerjaya daripada Majlis Keselamatan Negara, Kementerian Luar Negeri, Kementerian Dalam Negeri, Polis Diraja Malaysia (PDRM) dan agensi kerajaan lain sebagai batu loncatan untuk meningkatkan lagi kerjaya mereka.

Sukatan pelajaran kursus merangkumi dimensi tempatan dan antarabangsa bagi kajian keselamatan tradisional dan bukan tradisional, serta menyediakan para pelajar dengan peluang untuk meneliti isu keselamatan Malaysia dan isu-isu strategik utama seluruh dunia.

The Master of Social Science in Strategic and Security Analysis is a long-standing programme, established since the Strategic Studies and International Relations (SSIR) department was known as the Strategic and Security Studies Unit (UPSK) in 1984.

This Master's programme has attracted a considerable amount of applicants hailed from the public service and graduate students from various streams. It has now become a favourite programme of choice among the mid-career officers from the National Security Council, Ministry of Foreign Affairs, Ministry of Home Affairs, the Royal Malaysian Police (RMP) and other governmental agencies as a stepping stone to climb up their career ladder.

The course syllabus include local and international dimensions of traditional and non-traditional security studies, providing students with opportunities to scrutinize Malaysian security issues and key strategic concerns around the world.
