INTRODUCTION

Mode of Study : Coursework
Duration : 4 years (8 Semester) - STPM/Matriculation/Diploma
Duration : 3 years (6 Semester) - Diploma Medical Assistant or equivalent
Local Student : Full Time only
Intake : October 2022

This degree program was developed based on collaboration between UKM with Medical Assistant Board, Medical Assistant Association and Medical Assistant Union aimed at producing more graduates with a degree in the field of Assistant Medical Officer. The program started in 2007 and is one of the special programs for Assistant Medical Officer. This program is conducted on a full-time basis and course work. Varies method of teaching are emphasised such as simulation-based learning, problem solving, lectures, clinical attachment and etc in this program. At the end of the program, students are expected to graduate with competence in the relevant areas of knowledge and clinical skills apart of from leadership and communication skills. In this program, students are also exposed to medical research capabilities. They are required to conduct research with a guide by an expert in the relevant field. The aim of this program is to produce a well-rounded skills and knowledgeable graduate in the field of emergency medicine.
