

ELECTIVE PROGRAMME

AIM

The aim of this elective posting is to give the student an opportunity to undertake, for a period of 2 weeks [international] or 4 weeks [local] either at the end of year 3 or year 4, any humanitarian project of their interest.

Learning outcomes

1. Experience and discover broader aspects of human life beyond the classroom setting.
2. Critically reflect on the experience in the form of a written report

Venue

The electives may be undertaken in any institution either governmental or non-governmental, locally or internationally.

You are provided with a list of institutions for you to choose and arrange your elective placement. If you find none of the institutions listed match your interest you may discuss your choice with the Elective Coordinator or his assistant.

PROCEDURE

1. Select an institution where you want to spend your elective
2. Contact the institution and decide on the proposed activity.
3. Identify a person that can act as supervisor/advisor during your attachment.
4. Write in your elective proposal which contains your name/ group member, the date, venue, your proposed activity, and the supervisor's name.
5. Submit the Elective Application Form (EAF) to the Elective Posting Coordinator at least two months before the date of the posting for approval via academic office
6. The Elective Posting Coordinator should be kept informed of any changes made to the original proposal.
7. If the institution requires an official Letter of Recommendation please collect the letter from Academic Office.
8. A copy of approved elective application form should be collected from the Academic Office **2 weeks** before the elective date.
9. Go to the elective institution during the designated period.
10. Submit the Elective Centre Supervisor's evaluation form to your Elective Supervisor for completion.
Note: This form should be returned to the Academic Office not later than two weeks after the end of the elective posting via the student (in a sealed envelope) or directly sent to the Academic Office.
11. Submit your written report which includes a record of activities and critical reflection of experience to the Academic Office not later than two weeks after the end of the elective posting in a hard copy (in duplicate) as well as electronic form via SPIN

STUDENTS RESPONSIBILITIES DURING ELECTIVE POSTING

1. Selection and communication with the institution.
2. All costs incurred during this attachment
3. Maintain high standard of professionalism as UKM medical students.
4. To keep the Elective Coordinator inform in case of any unforeseen incidence.

FFFF3922 ELECTIVE POSTING

It is essential to facilitate student's development in holistic,comprehensive and practical mannerIt is essential to facilitate student's development in holistic,comprehensive and practical manner, without restricted to formal learning methods inside classroom. In this module, students will be exposed to out-campus learning, especially to facilitate students to adapt and experience broader aspects of life. Students will be guided to participate in any elective posting programme for the minimum period of four weeks (in Malaysia) or two weeks (oversea).

The elective posting programmes are chosen by students based on their preference on particular fields such as humanitarian,skills, entrepreneurship and others, subjected to approval by Programme Committee. This is important as preparation for students to enter working environment later on. It is hoped that students can learn to be independent, able to work in a team and communicate effectively especially when dealing with individuals from other organizations.

TEACHING METHODOLOGY

Selection of Elective Posting:

1. The electives may be undertaken in any institution either governmental or non-governmental, locally or internationally.
2. Students are provided with a list of suggested institutions to choose from. However, they are encouraged to have their placement in any organization outside the given list. It is student responsibility to make arrangement for the placement. The students are welcomed to discuss their choices of elective placement with the Module Coordinator or any of the committee members.
3. Students are not allowed to do electives in a hospital setting (except in overseas/non-medical related/interprofessional)
4. Maximum of 2 groups or 10 students per venue (first come and first serve basis).

Procedure of Elective Posting:

1. Select an institution where you want to undergo the elective posting.
2. Contact the institution and decide on the proposed activities.
3. Identify a person that can act as supervisor/advisor during your attachment.
5. If the institution requires an official Letter of Recommendation, please collect the letter from the Academic Office.
6. Submit the complete Application Form via Googleform link provided.
7. The Elective Coordinator should be informed of any changes made to the original proposal.
8. Students will be contacted by committee members if there are any recommendations to improve the Application Form. The approved Application Form (after amendment) must be attached with the final report during submission at the end of elective posting period.
9. Perform elective posting at the institution during the designated period. Students are required to provide progress report via Padlet as part of continuous assessments.
10. Students are required to present their elective posting activities in the form of:
 - i. 8-minutes video presentation, or
 - ii. e-poster (A0 size)
11. Upload all the documents via UKMFolio before the deadline. The documents must include:
 - i. The approved Application Form (print from Googleform).
 - ii. Signed Covid-19 Guidance & Safeguard Agreement
 - iii. Summary of activities and critical reflection of experience
 - iv. 4 Progress Reports (print from Padlet)
 - v. Evaluation Form by site supervisor (if applicable)
 - vi. Electronic presentation (either video or e-poster)
