APPLICATION

HOW TO APPLY FOR MEDICAL POSTGRADUATE COURSES IN NATIONAL UNIVERSITY OF MALAYSIA :

1. Candidates have to apply online via : **guest.ukm.my**
2. Application for course work and mixed mode courses is offered twice a year, which is every October (for the next February intake) and every April (for the September intake).
3. Application for all research mode programmes can be made online at any time throughout the year but student intake registration is still either in September or February (some courses only offer for intake in September).
4. Application for Clinical Programme can be made online at any time of the year but student intake is mostly in June and few in December.
5. An application fee of RM30.00 (for Malaysian applicants), USD30.00 or RM100.00 (for non-citizen applicants) is payable as per instructions in the online application system.

For more information/queries, you are welcomed to get in touch with us. A dedicated team of staff at the Postgraduate Studies & International Relations Secretariat Office are available to assist or advise on matters such as applications, approvals, registration, student visa and all other issues pertaining to medical postgraduate programme.
