School of Liberal Studies UKM (CITRA UKM) is a faculty-level study center established to specialize in Liberal and Multidisciplinary education across all programs offered.

Objective of CITRA UKM

To produce human capital with first-class mindset grounded by knowledge and innovation in facing challenges of economic development, aligned with the National Higher Education Strategic Plan through national aspirations and national education philosophy.

Vision, Mission & Goals of CITRA UKM

- Aspires to produce holistic graduates with UKM identity through mindset development and character-building approaches.
- Accomplishes the market demands through human capital development that is creative, innovative, able to master and apply knowledge and soft skills to face challenges and compete in the real world.

MSc Liberal Studies

The program offers new opportunities for candidates to undergo an educational structure in the field of liberal studies that are inter and intra disciplinary in fulfilling the needs of external markets and industries.
