

Academia Sinica Taiwan International Internship Program

TIIP@AS

Academia Sinica invites outstanding college students to experience Taiwan's top-notch scientific research in a two-month program scheduled between May and August 2023. Further information can be obtained at the workshop held in Kuala Lumpur on Nov 26-27. Outstanding students may be recruited on-site after a brief interview.

Top Research Community

As the leading government-funded institute in Taiwan, Academia Sinica carries out world-class basic research and has been spearheading interdisciplinary initiatives to address major societal challenges. Each Intern will be taken by a research group to learn advanced knowledge through hands-on training.

Financial Support

TIIP@AS offers competitive financial support for its interns. All admitted students enjoy a monthly stipend of US\$ 1,000 for two months, plus one-way airfare between your hometown and Taipei, Taiwan.

Smooth Transition

To facilitate interns' quicker adaptation to the local environments, TIIP@AS provides free-of-charge Mandarin language courses at entry level, cultural tours and a convenient and affordable fully-furnished dormitory.

Global Vision

Academia Sinica is a vibrant hub of cutting-edge research and higher education. Interns recruited by TIIP@AS are encouraged to build a network with international talents of different countries in an open and stimulating environment.
