【About us】

TAL is a world-leading education and technology enterprise, serving 4.5 million students across the globe. Established in Beijing in 2003, it made history by becoming the first Chinese education institution catering to primary and middle school students to be listed on the New York Stock Exchange (NYSE:TAL) in 2010.

To know more about TAL: <https://en.100tal.com/>

Think Academy (TA), the international brand of TAL, has established campuses in 8 countries/regions, including China, the U.K., the U.S.A., Hong Kong (China), Canada, Australia, Singapore, and Malaysia.

To know more about TA Malaysia: <https://www.thinkacademymy.com/>

In addition to the core teaching services, TA is committed to organizing educational events, charity activities, and promoting educational Sustainable Development Goals (SDGs) with UNESCO (TAL has established an strategic partnership with UNESCO since 2019).

Since the recent expansion into Malaysia in mid-2022, TA has been grateful for the fast-paced growth of our business. As TA continues to strive towards excellence, TA is looking forward to being a recruitment partner with Malaysian universities.

TA provides competitive salaries with a fast promoting channel to Malaysian fresh graduates as we believe in nurturing local talent and providing them with rewarding career opportunities is a core investment of localization.
