## STEP 8:

# Cambridge English Placement Test

This is an adaptive test; as you work through the test the computer checks your answers then chooses suitable tasks to match your level of knowledge. Try to answer as many questions as you can, because you may not get a report if you do not answer enough questions.

There are two parts to the test: Listening and Reading.

In the Listening part of the test you have time to read the question(s). Click the play button to listen. You can listen twice.

Click the arrow in the bottom-right corner of the screen to move through the test.

The progress indicator at the bottom of the screen will show you how much of the test you have completed.

Now click on the right arrow to continue.

## STEP 12:

The screenshot shows a quiz interface with a dark header. The header contains the text "Instructions" with a dropdown arrow, a speaker icon, and a play button icon. Below the header, the question text reads "For this question, choose the correct answer. Read the question first. Click play to listen. You can listen twice." The phrase "You can listen twice." is circled in red. Below the question, the text "Frank finds ships quickly because he" is followed by three radio button options: "reads history books.", "is a professional diver.", and "uses the latest equipment." At the bottom of the interface, there is a progress bar and a "Next Question" button with a right-pointing arrow.
