

ON-CAMPUS ACCOMMODATION BOOKING

These guidelines are applicable for **new undergraduate students** (intake 2022/2023) only.

Click on "**Book**" button in the eSPEED system

Click and read the terms listed in the system. By clicking the boxes, you understand, acknowledge and accept all terms and arrangements made by the Student Housing Center.

Book start **01 - 28 September 2022**

Please make a booking before the said date to avoid any inconvenience or late booking results.

Patience in waiting for the result of your booking

In the meantime, you may proceed to complete the rest of the required information or actions such as fees payment, photo, medical assessment and etc.

Check your email for the **result** of your booking

You will receive an email stating your hostel name and room number.

Question & Answer

Q: I opened the eSPEED system but the button is disabled. What should I do?

A: The button is only enabled from **01 - 28 September 2022 only**.

Should you miss the dates, you may not be able to stay on-campus and it is advisable for you to seek an alternative for off-campus accommodation.

Q: I received my Offer Letter after 28 September 2022, what should I do for accommodation booking?

A: The button may be re-enabled from **13 - 19 October 2022 only** for students who receive offer letters after 28 September 2022. Make your booking immediately.

Important: Please note that students are advised to not come to campus until the accommodation information and details are confirmed.
