

REAL TIME PCR

WORKSHOP

27 – 29 September 2016

MICRORNA, GENE AND METHYLATION ANALYSIS

UKM Medical Molecular Biology Institute (UMBI)
Jalan Yaacob Latiff, Bandar Tun Razak, 56000 Cheras

AGENDA:

- cDNA synthesis for microRNA and mRNA
- microRNA qPCR
- Relative quantification qPCR (gene expression)
- Methylation specific qPCR
- Optimizing a qPCR reaction
- Data and statistical analysis

Fees:

RM1500.00 per person
(inclusive of training materials, certificates and meals)

Participants will be offered ***20% off** QIAGEN products!!

**THEORY
AND HANDS
ON
EXPERIENCE**

For registration & inquiries, please contact.
