

CONTENT

Part I Theoretical Framework

1. Geological Heritage of Malaysian Database for Conservation and Sustainable Use
Ibrahim Komoo, Lim Choun Sian, Tanot Unjah, Marilah Sarman & Syafrina Ismail
2. Rock Heritage Characterization and Evaluation
Che Aziz Ali
3. Fossil Heritage Characterisation and Evaluation
Mohd Shafeea Leman
4. Characterisation and Assessment of Diversity of Geological Structure
Tajul Anuar Jamaluddin
5. Asthetic Assessment of Geological Landscape : Case Study of Lata Chenai, Jeli, Kelantan
Tanot Unjah & Ibrahim Komoo
6. Interesting Holes In Rocks - Caves, Potholes and Tafoni
Lee Chai Peng
7. The Importance of Education and Awareness towards Geological Heritage Conservation in Malaysia: From the Viewpoint of a Non-geologist
Sharina Abdul Halim

Part II Characterisation and Assessment of Geoheritage

8. Waterfalls Of Maliau Basin, Sabah
Felix Tongkul
9. Geotourism Potential in Bario Highland, Sarawak : An Overview
Askury Abd. Kadir
10. Geoheritage of Bako National Park, Sarawak
Kamal Roslan Mohamed, Dana Badang & Askury Abd Kadir
11. Characterisation and Assessment on Geological Structures from Tanjung Balau, Johor
Tajul Anuar Jamaluddin & Mustaffa Kamal Shuib

12. Geologi and Potential Geotourism of Gunung Panti and Its Surroundings, Kota Tinggi, Johor
Che Aziz Ali & Uyop Said
13. Unique Geological Features Behind The Mystery and Legends of Pulau Besar, Melaka
Asminah Binti Rajuli
14. Petasih Serpentinite Body in Negeri Sembilan : An Ideal Structural Geological Heritage
Jatmika Setiawan & Ibrahim Abdullah
15. Geoheritage of The Panching Limestone, Pahang
Kamal Roslan Mohamed & Che Aziz Ali
16. Fault Features of The Benta Migmatite Complex at Jeram Besu, Pahang
Ibrahim Abdullah & Jatmika Setiawan
17. The Evolution of Karst in Kinta Valley, Perak
Ros Fatihah Muhammad & Ibrahim Komoo
18. Accelerated Shoreline Growth and Landscape Development of Sungai Muda Coastal Plain, Kedah
Tjia Hong Djin
19. Cold-water Brachiopods of Sungai Itau and Kilim, Langkawi and Their Heritage Values
Mohd Shafeea Leman

Part III **Selected Papers**

20. Geoheritage Conservation and its Potential for Geopark Development in Asia - Oceania
Ibrahim Komoo
21. Langkawi Geopark: Development Concept, Strategic Planning and Implementation Approach
Anwar Abd Rahman, Mazlan Othman & Ibrahim Komoo
22. Geo-Forest Park: An Innovative Approach towards Geological Heritage Conservation within Permanent Reserved Forests of Malaysia
Shaharuddin Mohamad Ismail, Ibrahim Komoo & Mohd Shafeea Leman
23. Kinabalu Plateau: A Geological Monument within a Natural World Heritage Site
Lamri Ali, Jamili Nais & Ibrahim Komoo
